

Investment Overview

OnTrack Rogue Valley Solar Project

OnTrack Rogue Valley provides addiction treatment and recovery services in southern Oregon. The nonprofit organization, which is over 45 years old, provides outpatient and residential treatment options for adults and teens for substance abuse and addiction, DUII, domestic abuse and other behavioral health issues.

The Oregon Clean Power Co-op is financing the installation of 49 kW of solar panels at OnTrack Rogue Valley's Mountain View recovery residential treatment facility in Hugo, about ten miles north of Grants Pass. OCPC, working with solar installer EnergyWise Services LLC, has secured two grants to help offset the cost of the solar project for OnTrack. These are an Oregon Dept. of Energy rebate for Low-Income Services Providers, and an Energy Trust of Oregon Equitable Solar Initiative incentive. The rest of the financing will come from investment from community members, through OCPC.

Community Investment Opportunity

(Oregon Residents Only)

- Investment Amount: \$25,000
- Minimum Investment: \$1,000
- Investment Rate: 4.0% APR
- Investment Term: Investment plus interest paid back in annual payments over 10 years.
- Membership fees:
 - OCPC lifetime membership: \$50
 - Solar Oregon: \$25

Project Team

Developer: Oregon Clean Power Cooperative
System Owner: OnTrack Rogue Valley
Solar Installer: EnergyWise Services, LLC

Use of Funds

The funds raised will be loaned to the OnTrack Rogue Valley, which will add them to grant funds to pay for installation of the system. OnTrack's savings on electricity will enable it to pay back the loan to OCPC, which in turn will pay back the investors in the project.

This is a summary of the Oregon Clean Power Cooperative Offering Memorandum dated January 16, 2021 describing the OnTrack Rogue Valley Solar Project, and is qualified in its entirety by reference to the Offering Memorandum. The Offering Memorandum is available on the Oregon Clean Power Cooperative website at oregoncleanpower.coop, or in hard copy upon request. You should review the Offering Memorandum carefully before making any decision to invest.

The Oregon Clean Power Cooperative is the only state-wide cooperative in the U.S. dedicated solely to renewable energy. Our member-financed projects keep capital circulating locally, create green jobs, and enable Oregon communities to become more self-reliant through locally-generated clean power.
